

**By the end of
KEY STAGE 3
Uxbridge High School
students will have...**

**...tried new subjects
that they hadn't
studied before**

**...used their
entrepreneurial
skills**

**...a better understanding
of themselves, including
personal characteristics,
abilities, interests,
potential weaknesses
and limitations**

**...learnt what a CV
is and about the
importance of an
interview**

**...identified ways to
develop as a person**

**...had opportunities to
involve their parent in
their career research
and planning for KS4
and beyond**

**...examined how skills are
used in day to day life and
the links between
personal skills and
employment (what work
related learning means)**

**...had access to
group sessions with
the school's
impartial careers
advisor**

**... used online programmes
to research information
about potential career
opportunities and use the
information to help them
make choices on post 14
options**
