

MY SECONDARY SCHOOL PHOTOBOOK

We have created this booklet so that you can familiarise yourself with your new environment. This will help you to transition from primary to secondary school and hopefully, make you feel more confident about your arrival to UHS.

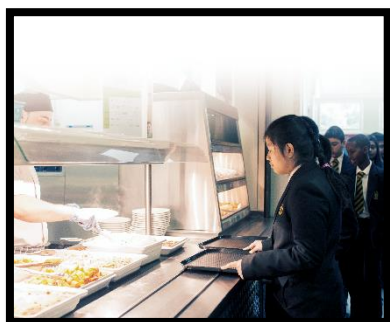

Check out our website www.uhs.org.uk for more information.

IMPORTANT AREAS AROUND THE SCHOOL

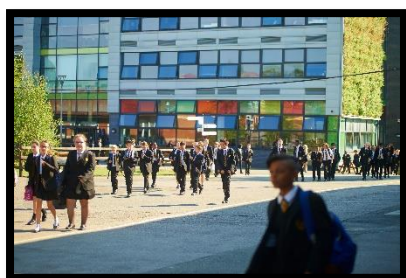

THE MAIN HALL is where you have assemblies every week – each year group has an allocated assembly day, as follows:

- Monday** – Year 7
- Tuesday** – Year 8
- Wednesday** – Year 9
- Thursday** – Year 10
- Friday** – Year 11

THE CANTEEN is based in the main hall – you can buy refreshments from here at break or meals at lunchtime.

STUDENT SERVICES is based in the school playground, next to the toilets – you can go here:

- To sign in or out if you have an appointment
- If you are feeling unwell during the school day

If you arrive late to school for any reason, this is also where you need to go before going to your lesson, as you must be marked in.

CLASSROOM LAYOUTS

Below you can see examples of some of our English, maths and science classroom layouts. Can you tell which is which?

OUR BUILDINGS AND SUBJECT AREA LOCATIONS

The **LANCASTER BUILDING** is where you will find:
Ground floor – sixth form area and drama studios
First floor – maths
Second floor – business

Our PE teachers will run some of your PE lessons in **THE DOME** and you can also go here to sign up to one of our sports clubs

The **ORSINO BUILDING** is our newest addition to the school site and here you will find our drama and music classrooms.

This is the **CONSERVATORY** where you can access the FLC.

The **OLD BUILDING** is in the playground and this houses our English, RE, history and geography classrooms.

We also have the following buildings:

- The **MFL BLOCK** which is situated in the middle of the playground, opposite the old building and Lancaster.
- **ICT** and **FOOD TECH** which are also in the playground, behind the toilets.
- The **SCIENCE** classrooms are located through the main hall and finally...
- The **ART** and **DT BUILDING** which is located outside, opposite science.
